Phila., Pa.

Dear Mr. Ali:

If you recall, I wrote you last month about Harold Weisberg, who has done extensive work on the King assassination.

Enclosed is a review of an alvance copy of Mr. Weisberg's book from the trade magazine, Publishers' Weekly of Feb. 1, 1971.

I thought you might want to see this upon your return from trying to win back what was stolen from you.

Best wishes,

Howard Roffman
